ICS 1000 Series

Intelligent Controlled Spaces™
Powered by Apex Connect n' Go™ Technology

Secure, self-serve indoor convenience for large inventory, orders and assets

24/7 Secure, Self-Serve Access
Control access to customers, employees or vendors based on QR code, user ID, order delivery number and more

Highly Configurable for Optimal Efficiency
Choose from three cage depths and pair with AXCESS™ 6700 Lockers to manage virtually any size orders and inventory

Manage Up to Four Controlled Spaces
Each ICS kiosk controls up to four secure cages or combination of cages and 6700 lockers

- **Provide indoor BOPIS and will-call order pickup for large items**
  Busy customers get self-serve, no-wait order collection and returns for large and bulky items.

- **Control large forward-stocked and consigned inventory**
  Keep essential supplies, parts and materials secure and where they're needed.

- **Enable secure cross-dock deliveries**
  Accept deliveries 24/7 and always know who accessed each secure space and when.

- **Get real-time visibility and insights**
  Our Apex Cloud™ platform unifies your POS, e-commerce and ERP systems to provide an integrated view of customers and inventory.
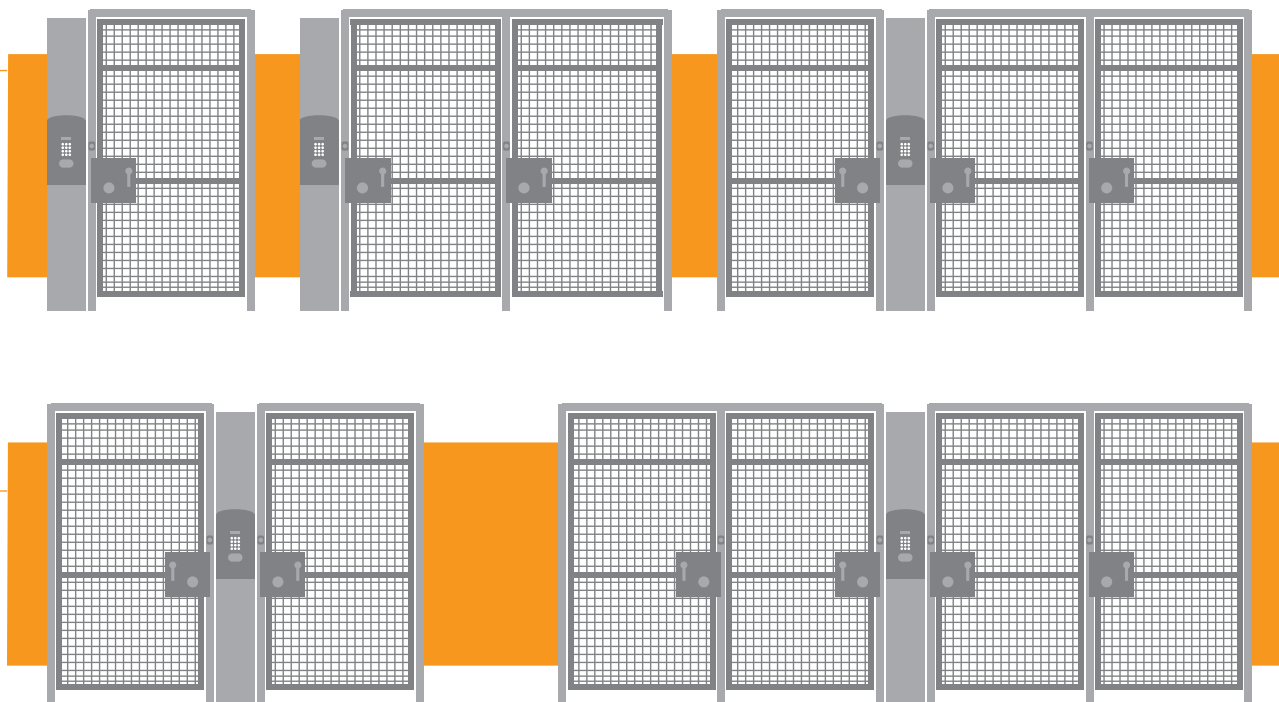

Mix and match five AXCESS 6700 locker compartment sizes and three ICS cage sizes to create hundreds of possible configurations.

ICS 1000 Series | Flexible, smart solutions for large-item indoor order pickup, storage and deliveries

Standard color is black with yellow posts. Optional post colors available for an additional cost.

ICS Kiosk standard color is black, and can be custom wrapped for an additional cost.

Cage ships flat. Kiosk ships unassembled on a skid.

Maximum of 2 cages and 2 satellite lockers on either side of kiosk. All cages must be anchored to the floor. Consult your sales representative for details.
