Associates quickly load orders from back to open compartments

» Streamlined workflow increases productivity and throughput

» Simple associate interface with QR/barcode reader and touchscreen

» Color-coded compartment lights show associates where to load orders

» Easy-clean, removable compartment floor panels
Customers pick up at front in seconds

» Familiar user interface (UI) with QR/barcode reader and touchscreen

» Interior and exterior indicator lights guide customer to order(s)

» Door opens automatically when customer scans or enters order code

NEW! Space-saving front-load model

» Designed for smaller footprint with no rear access

» Orders are loaded and picked up at front

» Diverts off-premise traffic away from your lobby

» Optimizes productivity and labor efficiency

Faster for them, smarter for you

Offer fast, self-serve pickup

Keep customers coming back with skip-the-line convenience and pickup in seconds.

Flexible integration option

An array of APIs makes integration with your existing KDS/POS systems fast and easy.

### The right size and configuration for your operation

Modular construction offers dozens of options and lets you easily add additional units.

CREATE THE IDEAL SYSTEM
## FOR YOUR ORDER VOLUME AND VELOCITY

1 **CHOOSE MODEL, THEN NUMBER OF UNITS**

Select up to 4 units per UI. Add additonal UI as needed.

**2** **CHOOSE BASE COLOR***

Black

White

3 **CHOOSE DOOR COLORS***

Black

White

Orange

Gray

Blue

Green

Red

*Optional trade dress and custom colors available for additional cost.
