

# Axcess™ 6800 Series

## SMART PICKUP LOCKERS

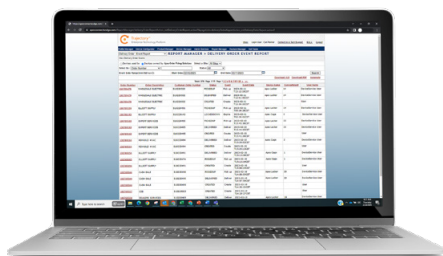

Shown with optional custom wraps.

## Outdoor solutions for no-wait ecommerce order pickup

Give busy customers quick, secure access to their orders without coming inside. These smart pickup lockers reduce crowding and lines at the counter and optimize employee labor — all while providing valuable order pickup data insights.

### Tap into real-time data and insights

Apex Trajectory™ software gives you a real-time view of order load times, pickup times, compartment utilization rates and more, at one location or across your enterprise. Integrate with your ERP, CRM, POS, messaging platforms, or other systems for optimal visibility.

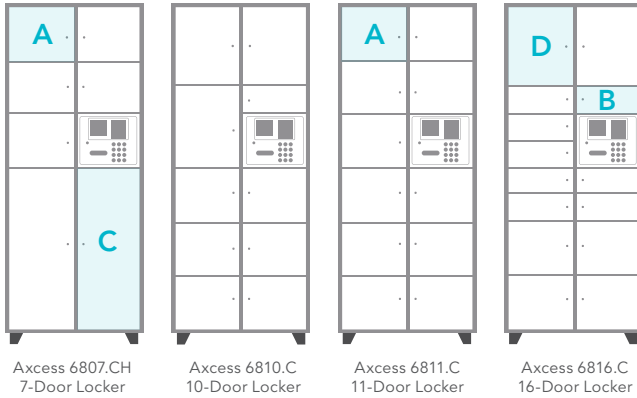

## FEATURES

- » **Tough, IP24 rated**  
Resists rain, moisture and solid particle infiltration of 12.5 mm or larger.
- » **Withstands heat and cold**  
Operates in temperatures from -10° F/-23° C\* to 110° F/43° C with optional heater fan.  
\*Without heater fan: 40° F/4° C to 110° F/43° C
- » **Four compartment sizes**  
Select the optimal configuration for your ecommerce product mix.
- » **Expand capacity as needed**  
Add up to three satellite lockers to right and/or left of customer interface.
- » **Optional custom branding**  
Get creative with optional eye-catching colors and graphics to reinforce your brand and stand out in any environment.
